Correction to: Flaws in advance directives that request withdrawing assisted feeding in late-stage dementia may cause premature or prolonged dying

Stanley A. Terman^{1*} , Karl E. Steinberg² and Nathaniel Hinerman³

Correction to: BMC Medical Ethics (2022) 23:100

<https://doi.org/10.1186/s12910-022-00831-7>

Following publication of the original article [1], the author would like to change the text from:

I want to be offered food and fluids by mouth. I want to be kept clean and warm.

to.

I want to be offered food and fluids by mouth if it is safe for me to eat and drink. I want to be kept clean and warm.

The original article has been corrected.
